

CIS Coaches (C.I.S. Bt. Hungary and CIS Travel Slovakia) are one of the most reputable companies in the Hungarian passenger transport services industry. Established in 1996 by Mr István Ágoston, CIS Coaches has remained a family-owned business throughout these years.

In the last 19 years, we have built a successful company rooted in tradition. We are proud to say that all of the values that Mr Ágoston envisioned for the company almost two decades ago are still our core values to this day.

- **Professionalism:** We provide professional services catering to the individual needs of each partner.
- **Reliability:** Our team members are always available 24/7 to answer your questions and cater to your requirements.
- **Responsibility:** We are a responsible, family-owned business that takes pride in providing the best quality services by offering highly-trained and culturally-sensitive drivers.

We provide passenger transport services from Western Europe; including the UK, France, Germany, and the Benelux States; through to Southern Europe, including Italy, Croatia and Bulgaria; to Central and Eastern Europe with Switzerland, Austria, Slovenia, Hungary, Czech Republic, Slovakia, Poland, Romania, etc. We also provide tours to several Northern European countries; such as Denmark, Lithuania, Latvia, and Estonia.

In 2015, we will also extend and strengthen our services in the United Kingdom.

We understand that there are many choices in this industry. That is why we specialize in catering to the needs of Chinese inbound tourism. After being in this field for almost 20 years, we understand the importance of Chinese tourists for the European economy. We can appreciate the needs of Chinese tourists. Our service works tirelessly to ensure that our Chinese partners and their guests will enjoy their journey and leave feeling fully satisfied.

We are proud of all our achievements so far. In 2014, we are glad to say:

- We have provided passenger services to more than 250 groups.
- We have extended our cooperation to travel agencies in Chengdu, Nanjing, and Wuhan.
- We have more than 30 satisfied Chinese partners from both China and Europe.
- We have successfully expanded to the UK passenger travel service industry.

Today and everyday, we are here to provide exceptional services for your company and clients.
